KILTEGAN GAA & CAMOGIE CLUB NEWS

Our Senior Hurling team had a convincing win over Glenealy in the County Senior Hurling Championship third round at Aughrim on Friday evening. Kiltegan 3-21 Glenealy 2-09.

A dominant first half performance by all our players right from the throw in put us in the driving seat and we were leading at half time 2-11 to 0-02. Glenealy's first score coming after seventeen minutes and their second right at half time. We also had at least eight wides. We went into this game needing the win or our championship season was over. All our players really rallied to the cause playing some great hurling, getting great scores, great blocking, tight marking and some great saves by our goalie Sean Murphy. This game looked over at half time but Glenealy were always going to make up for their first half performance and they did for the first quarter of the second half when they out scored us as we took the foot off the gas and they had reduced the lead by eight points. But in the last quarter we put the foot back on the gas and finished the game with a flourish of points and a great goal by Seanie Germaine for a very convincing win. The only worry for the team is an injury to Eoghan Byrne and how bad it is after losing Darragh Byrne through injury early in the championship. We now play St. Pats this will determine who we will play in the semi final. Our scores came from; Seanie Germaine 2-03, Kieran Conway 1-00, Brandon Ryan 0-06, Jack O'Toole 0-03, Kieran Harmon, Podge O'Toole, and James Boland 0-02 each, Aruna Daly Danne, Liam Keogh and Eoin Byrne 0-01 each.

Our Junior Hurlers received a walkover from Kilcoole in the Junior Hurling Championship on Tuesday evening.

Our Junior C Football team made it two wins out of two in the Junior C Football Championship when they made the long journey to Enniskerry to take on the home side on Thursday evening last and came away with a win.

Kiltegan 3-12 Enniskerry 2-09. This win puts them into the semi final of this championship even though they have to play Annacurra next week in Annacurra with both teams qualifying. This was a hard fought game with both sides playing some good football. We were leading at half time 1-10 to 1-07. In the second half they tried hard to bridge the gap but the ever green Derek Daly kept us on track with some great scores. The return of Brian Cullen who came on in the second half helped in no small way to securing the win. Over all a good display by all the twenty players who took part in the game.

Our scores came from: Derek Daly 2-04, Lar Murphy 1-02, Osian Foley Shortall 0-03, Eoin Byrne 0-02, Brian Cullen 0-01.

CAMOGIE NEWS

Our Junior Camogie team got their year off to a winning start in this years County Junior Camogie Championship when they travelled to Avondale last Friday evening to play the home side. Final score Kiltegan 1-13 Avondale 1-12. The O'Toole sisters Eimear & Aishling put in a power packed performance right throughout the game scoring 1-12 between them Amber House getting the other point.

Our Senior Camogie team also got their Senior Camogie Championship off to a winning start when thirteen Kiltegan women beat fifteen a side Bray Emmets in the first round on Tuesday evening. Kiltegan 6-09 Bray Emmets 2-06. Our girls could only muster thirteen players due to other commitments. The rules of camogie state that you can play with 13 and the opposition can play 15 and bring on subs if they so desire. Bray played a full strength team. It must have been some performance by our girls to win by such a score. We were leading at half time by a couple of points and went on to win by 4-03. What an immeasurable win.

Well done girls and the management team.

PREPARING FOR SCHOOL

Starting school can be a time

of anxiety for both children and parents.

It is an enormous change for a child to share a room with up to 30 other children and one adult. Parents can help to reduce such anxiety – both for themselves and their child – by gently preparing their child.

The following may help: An initial visit to the school is a good idea. Meet the principal and the teacher of infants. Show your child the school building, the cloakroom, the classroom, where the toilets are and the playground. Emphasise the opportunities for making friends and for getting involved in new activities. Introduce your child to another junior infant, if possible have them around to play during the holidays. It is important for your child to see some familiar faces on the first day. Children should be able to put on and take off coats and hang them up, use the toilet and flush it properly, wash their hands and tidy up their crayons and colouring books. Help to practice putting things in and out of the school bag and to open and close their lunchbox. Teach them to use a handkerchief or tissue, share toys and take turns. Label your children's clothes and belongings clearly and help them to identify their own belongings.

Ensure you talk to your child and let them know what will happen on their 'big day'. Encourage your child to talk to you about their fears and try your best to reassure them. The first day of school will be emotional for both you and your child – allow your child to cry.

Do not overstay – five minutes is plenty of time in the classroom! Explain to your child that it is time for you to leave, and that you will be back soon. Ensure you are early for pick up, as your child may become stressed if they do not see you when school is finished.

Celebrate the start of a new school year. If you celebrate the first day of school, your child will see back-to-school as a transition they can really enjoy. And don't forget to take a picture on the front step. It's going to be a great year!
